# All I Want for Christmas...is a Vaccine

Hardeman County first responders, home health care providers, student health care providers, and staff members and residents of group homes were the first to be given the COVID-19 virus that arrived last week.

During phase one of the Tennessee COVID-19 Vaccination plan, Tennessee County Health Departments will be providing the first doses.

Tennessee received an initial allocation of a total of 115,000 doses of the Moderna COVID-19 vaccine, following Emergency Use Authorization issued by the U.S. Food and Drug Administration and recommendations released by the Advisory Committee on Immunization Practices. The Moderna COVID-19 vaccine was shipped to all 95 Tennessee county health departments. Smaller hospitals that are not receiving the Pfizer-BioNTech COVID-19 vaccine are expected to receive Moderna vaccine the week of December 28.

The FDA announced Wednesday that vials of the Pfizer COVID-19 vaccine, which are labeled as containing five doses, may include

enough of the vaccine to provide six or possibly seven doses. FDA has announced these additional doses may be used, meaning Tennessee may have as many as 11,000 more doses of this vaccine to provide than originally expected.

"We are excited to receive these additional vaccines and see our COVID-19 vaccination activities underway," said Tennessee Health Commissioner Lisa Piercey, MD, MBA, FAAP. "Tennessee county health department staff members will administer the Moderna vaccine to first responders, home health care providers and student health care providers in partnership.

Initial supplies of the COVID-19 vaccines are limited. The first allocations of both the Moderna and Pfizer COVID-19 vaccines in Tennessee will be used to provide first vaccine doses to individuals qualifying for Phase 1a1, as detailed in the COVID-19 Vaccination Plan for Tennessee. It is important to note these Pfizer and Moderna COVID-19 vaccines are not interchangeable; each patient must receive two doses of the same vaccine to be pro-

tested against COVID-19. Those who choose to receive the vaccine will receive a card with the date of their first dose, the name/manufacturer of the vaccine received and the date on which they should receive their second dose.

"Tennessee's plan for allocation of COVID-19 vaccine has been thoughtfully developed with a fo-

cus on how best to serve our diverse populations and communities, and to ensure distribution of vaccination sites across all 95 counties, especially in rural areas and those with high concentrations of people in vulnerable populations," Piercey said.

Tennessee's local health departments continue to offer COVID-19

testing five days a week at no charge to those wishing to be tested.

Bolivar General Hospital also distributed the vaccine beginning December 19.

Whoops...

Last week's story on the rejection of the rezoning of an area in the Mercer area (designated as Toone on the parcel map) to industrial read in part: *Voting for Royal Oak in both 2018 and 2020 were Gilliam, Bell, Hensley, Howell, and Vickers, while commissioners Lake, Morrow, Vaughn, Weems, and Wright were against it on both occasions.*

Well, that wasn't correct.

It should have read: *Voting for Royal Oak in both 2018 and 2020 were Gilliam, Bell, Hensley, Howell, and Vickers, while commissioners Lake, Morrow, Vaughn, Weems, and White were against it on both occasions.*

We apologize. This time, just rhyming it with the right name wasn't enough...hardly ever is.

## Home for Christmas for the Hardeman Adoptable Animal Shelter

Volunteers with Hardeman Adoptable Animals (HAA) and employees of Hardeman County Animal Control realized their dream of a forever home on the weekend of December 12, moving out of the old shelters in the Hardeman County Landfill and into a brand new and a state of the art animal shelter.

"We want to thank our supporters for being with us every step of the way. We have had so many people donate their time, supplies, money, and manpower to get us where we are today: home," wrote Sara Vonderheide of the HAA.

The new shelter is located at 518 Clift Road, Bolivar. Due to the rise in cases of Corona Virus, they are still closed to the public. Tours and other business must be scheduled by texting 731-234-4421.

"Again, we are so thankful to all of our supporters near and far for making this dream of ours come true," added Vonderheide.

## It's the Kiss That's on Your List

The Hardeman County Arts Council (HCAC) will run the Curse of the Cobra's Kiss Mystery Dinner Theatre Thursday through Saturday, February 11-13, 2021.

Assembled at Professor Tommy Towers' estate are his wife, his jealous secretary, a n'er-do-well nephew with feuding girlfriends, a ruthless Hollywood director, two vengeful movie starlets, a mysterious fortune teller, a secretive graduate assistant and rival reporters. Is it any wonder that the wealthy professor quickly meets his end when a cobra injects him with poison?

The Hardeman County Arts Council (HCAC) provides artistic forums in a wide range of venues to educate, entertain, and enrich the community. In so doing, amateur artists will be facilitated to develop their artistic talents to levels that satisfy their own artistic objectives and goals, as well as benefiting the public. The HCAC seeks to provide the best in artistry, entertainment, and culture. We hope to inform, enchant, and inspire the community through the presentation of local groups, individual artists, and major art organizations, that will nurture and promote the arts.

## Time for New Year's Financial Resolutions

Many of us probably felt that 2020 lasted a very long time. But now that 2021 is upon us, we can make a fresh start – and one way to do that is to make some New Year's resolutions. Of course, you can make these resolutions for all parts of your life – physical, emotional, intellectual – but have you ever considered some financial resolutions?

Here are a few such resolutions to consider:

Don't overreact to events. When the coronavirus pandemic hit in mid-February, the financial markets took a big hit. Many people, convinced that we were in for a prolonged slump, decided to take a "time out" and headed to the investment sidelines. But it didn't take long for the markets to rally, rewarding those patient investors who stayed the course. Nothing is a certainty in the investment world, but the events of 2020 followed a familiar historical pattern: major crisis followed by market drop followed by strong recovery. The lesson for investors? Don't overreact to today's news – because tomorrow may look quite different.

Be prepared. At the beginning of 2020, nobody was anticipating a worldwide pandemic and its terrible consequences, both to individuals' health and to their economic well-being. None of us can foretell the future, either, but we can be prepared, and one way to do so is by building an emergency fund. Ideally, such a fund should be kept in liquid, low-risk vehicles and contain at least six months' worth of living expenses.

Focus on moves you can control. In response to pandemic-related economic pressures, some employers cut their matching contributions to 401(k) plans in 2020. Will some future event cause another such reduction? No one knows – and even if it happens, there's probably nothing you can do about it. Instead of worrying about things you can't control, focus on those you can. When it comes to your 401(k) or similar employer-sponsored retirement plan, put in as much as you can afford this year, and if your salary goes up, increase your contribution.

Recognize your ability to build savings. During the pandemic, the personal savings rate shot up, hitting a record of 33% in April, according to the U.S. Bureau of Economic Analysis. It fell over the next several months, but still remained about twice as high as the rate of the past few years. Of course, much of this surge in Americans' proclivity to save money was due to our lack of options for spending it, as the coronavirus caused either complete or partial shutdowns in physical retail establishments, as well as dining and entertainment venues. But if you did manage to boost your own personal savings when your spending was constrained, is it possible to remain a good saver when restrictions are lifted? Probably. And the greater your savings, the greater your financial freedoms – including the freedom to invest and freedom from excessive debt. When we reach a post-pandemic world, see if you can continue saving more than you did in previous years – and use your savings wisely.

These aren't the only financial resolutions you can make – but following them may help you develop habits that could benefit you in 2021 and beyond.

Christmas Popcorn Recipe

Ingredients

1-2 bags plain popcorn  
24 oz vanilla bark or candy coating  
1-2 cups plain Christmas M&Ms  
crushed candy canes  
red candy coating  
green candy coating

Directions

Start by popping the popcorn. When it's done pour it into a bowl making sure no kernels are in the bowl.

Break your candy coating into squares (it makes it melt better) and place in a pan on low heat. Stir until it is all melted.

Pour candy coating over the popcorn and mix until all the popcorn is coated. Add M&Ms (however many you want) and spread out onto a cookie sheet lined with parchment paper. Top with crushed candy canes and drizzle candy melts on top.

Refrigerate for a bit but take out ½ hour before you eat it so it's not so hard. ENJOY!

You can buy all the ingredients in this recipe

FAITH

Christmas 2020

by Jeff Capshaw

According to the Revised Common Lectionary, the second reading for this Christmas Eve is from the Epistle of Titus. This is one of Paul’s Pastoral Letters to his young protégé, Titus, who served the house Churches on the island of Crete.

Those churches came under the influence of false teachers who had caused problems for the baby Christians. Paul wrote to correct those errors, to rebuke the false teachers, and to provide guidance for putting things right in those congregations.

Within this epistle, Paul enumerates both the problems and the solutions for Titus to preach and teach to his congregants. This week’s passage provides a snapshot of advice for living during tumultuous times, and it is applicable for the Church today.

Paul writes, “for the grace of God has appeared, bringing salvation for all people, training us to renounce ungodliness and worldly passions, and to live self-controlled, upright, and godly lives in the present age, waiting for our blessed hope, the appearing of the glory of our great

God and Savior Jesus Christ, who gave himself for us to redeem us from all lawlessness and to purify for himself a people for his own possession who are zealous for good works” (2:11-14, ESV).

Three key themes are noteworthy. The first one is the grace of God. Paul says that God’s grace has appeared in the form of Jesus, and it has appeared for all people. In other words, grace isn’t just for the Jews, the religious people. Rather, it was for all, including the Pagan Gentiles. As Paul wrote elsewhere, the Gospel . . . “is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek” (Romans 1:16).

The same grace that provides salvation also provides the ability to live godly lives by refusing to go along with false teachings and the worldly, Cretian influences in Titus’ context. God’s grace empowers believers to live righteous lives, even during chaos and turmoil.

The second key theme in the passage is the coming of God. Yes. The coming of God! This is one of the most explicit statements on the divinity of Christ in the New

EVAN LEE NIELD NOVEMBER 29, 2013 - DECEMBER 19, 2020

Evan Lee Nield passed from this life at 7 years old on Saturday, December 19, 2020, at Monroe Carell, Jr. Children's Hospital at Vanderbilt in Nashville, Tennessee.

Evan was born November 29, 2013, in Orlando, Florida. At the time of his birth, he was diagnosed with hydro encephalopathy, a condition where too much cerebrospinal fluid builds up in the brain. He was also born with only one fourth of his brain. Despite doctors counting him out before his life really started, Evan was brought home to Tennessee in March 2014 to Ronald and Kim Nield's family. Evan was a member of Hornsby Baptist Church and was dedicated to the Lord Jesus on February 15, 2015, at Hornsby Baptist.

Evan overcame obstacles that doctors said were impossible for him to achieve. He lived 7 years, despite being told he would only be alive for six months. Doctors said he would never see, hear, or feel, but Evan grew to teach others what true seeing, hearing and feeling was about in life. Evan spent his days listening to lullabies, watching hummingbirds eat from the feeders just outside his window, and laughing his heart out when his siblings would get in trouble. The more trouble they got into, the more Evan laughed. Listening to his PeePaw singing "Evan Lee" while holding his hand and receiving an unlimited amount of kisses, hugs and loving on his sweet face from Nana and his Aunt Amanda were his favorite times of the day.

He endured more in his short life than most adults even face during their lifetime, yet Evan taught all those around him to appreciate life and live it to the fullest. His life exemplified the reality that no child, no life is of any less worth than another and all can be used for the glory of God. In seven short years, he touched countless lives, even those who had never met him, through his story of courage and survival.

When he was not laughing at his siblings or brightening up a room with his smile, he was hanging out with his own personal superhero, Chris Mehr (aka: Batman). He enjoyed listening to his toy owl play lullabies, hearing others laugh, and he could not wait for Christmas to come around each year. His favorite time of the year was Christmas. He loved watching the Christmas lights and seeing all the colors. The brighter the lights, the happier it made him. Evan had a smile that would light up a room. During the darkest of days, he had the ability to make anyone smile. Throughout his life he continued to prove that it is not science, but God that has the final word on the value and dignity of a life. Though he was unable to speak, Evan taught others that communication is not limited to the spoken word. Though he was unable to walk, Evan taught those around him that it is not the steps you take but the life you live that counts. Though his life was limited in comparison to most, Evan showed the world that life was worth fighting for and love knows no limits.

Graveside services were 2 p.m. Tuesday, December 22, 2020, at Wyatt Cemetery near Hornsby with Matt Emerson officiating. Shackelford Funeral Directors of Bolivar were in charge of arrangements.

Evan was preceded in death by his great grandmother, Betty Ruth Vandiver, his grandparents, James David and Evelyn Louise Nield, his father, Ronald Lee Nield, and his sister, Kaleiah Nield. His legacy is carried on by his mother, Kim Nield (Chris Mehr), his grandparents, Homer Lee and Lynn Doyle of Hornsby and Harold and Marty Cook of Memphis, along with his siblings, Timothy Nield of Washington State, Anna and Eric McIntyre of Somerville, Dylan (Natasha) Edmonds of Oakland, Matthew Edmonds of Los Angeles, CA, Stacey Nield of Hickory Valley, Taylor Mynatt of Bolivar, Lindsey Edmonds, as well as Diamond, Stephanie, Zach, Arabella, Ayla, Emma, Jayden, Dani, DeShawn and Cornelius Nield of Bolivar. He is also survived by extended family and friends, Vern and Vina Mehr of Bethel Springs, Tekela Simon of Whiteville, Kimberly McDonald of Bolivar and Carla DelGioma of Jackson, as well as numerous lives he has touched.

## Bolivar PD's Booze It and Lose It for the Holidays

The Bolivar Police Department is partnering with the Tennessee Highway Safety Office (THSO) to increase impaired-driving enforcement until January 1, 2021, surrounding the holiday season. The THSO’s statewide Booze It and Lose It campaign is part of the National Highway Traffic Safety Administration’s Drive Sober or Get Pulled Over nationwide mobilization.

The Bolivar Police Department will conduct several DUI Saturations over the Holiday season.

“It’s been a tough year, and I want everyone to have a great Christmas and New Year’s holiday. To keep each other safe, I ask you two things. First, please celebrate safely: limit gatherings and use precautions to prevent the spread of COVID-19. Second, please get home safely. Drive sober or have a designated driver to protect yourself and everyone on the road” said Bolivar Police Chief Michael Jones.

The consequences of a single DUI conviction for a first-time offender in the state of Tennessee may include costly fines, court costs, legal fees, jail time, mandatory drug and alcohol treatment, and/or the installation of an ignition interlock device in his/her vehicle.

The THSO provides grant funding to support Bolivar Police Department increased enforcement efforts during the Booze It and Lose It holiday campaign. For more information about the THSO, please visit [www.tntrafficsafety.org](http://www.tntrafficsafety.org).

## Wear a Mask

First of all, no one is going to force you to wear a mask. But wearing a mask when around others is one of the most important things people can do, not only to protect themselves, but to protect others.

A lot of people who have coronavirus don't know it. By wearing a mask, you are reducing the probability of transmitting infected particles — that you may not know you are carrying — to other people and surfaces. Everyone is protecting someone by wearing a mask.

Core Civic Hosts Graduation

CoreCivic's Whiteville Correctional Facility in Whiteville, Tennessee, held a socially-distance graduation ceremony on December 17, for 21 student-inmates who earned either a high school equivalency (HSE) diploma or a vocational certificate.

Vocational programming prepares inmates for better jobs following release. Historically, student-inmates at CoreCivic facilities nationwide have earned vocational certificates in construction fields such as carpentry, masonry, electric, plumbing, and heating, ventilation, air conditioning (HVAC). Computer-based certificates are also available, and inmates have earned vocational certificates in Microsoft Office and computer coding. At many CoreCivic facilities, inmates can participate in programs that issue industry-recognized certificates (IRC) in Braille, diesel maintenance, and welding. These 11 vocational program graduates at Whiteville earned certificates in carpentry, electrical, and HVAC.

The 10 student-inmates who earned their HSE diploma are also equipped for employment following release. One graduating inmate, Chad Young (pictured above), was motivated to earn his HSE diploma by an additional factor: his children.

"I want to be a good example for my two sons," said Young. "This [accomplishment] proves that you are never too old to complete a high school education."

The Editor's Inbox...Letters to the Editor

The Year 2020 has been a difficult one for many law enforcement agencies and in some cases rightfully so. However, I want to give a shout out to the City of Bolivar Police Department for their work under the leadership of Chief Mike Jones and especially one of their long-term Veterans, Captain David Sipes.

The Bolivar Police Department is very instrumental in helping two businesses in which I am involved, Bolivar Housing Authority and Dixie Funeral Home. They serve as Bolivar Housing Authority's security officials and Dixie Funeral Home's traffic through the city escort.

Though the Bolivar Police Department has several officers that perform their duty with a total community concern, Captain Sipes has shown special ability to defuse problems throughout his years of service.

What comes to mind is a story about a former Bolivar police officer, the late John Archie Williams. The story is one where he was dispatched to serve a warrant on a local young man. John Archie went to the young man's parent's home, where he was at the time. Upon arrival at the house on the porch was the young man's mother. John greets her and sits down in a chair on the porch and talks with her like he was visiting her for the day. A little while after the pleasant conversation he told her his reason he was there, to arrest her son. The mother called the son out of the house and told him to get in the car with John Archie and don't give him any problem. The young man got in the car without incident and John Archie took him to jail.

I don't know the crime the young man committed but assume it was not a violent crime. But regardless of the crime, the story shows how John Archie was able to communicate with people where they seem almost honored that he was there to take someone to jail.

The stories I have heard about Captain Sipes are similar. I have heard reports that when there were problems with patients or clients at any of Bolivar's mental health facilities, Captain Sipes was one of the main officers asked to come for assistance. He had the ability to communicate and listen to people that were going through a true mental meltdown and to somehow defuse the episode where that person could be taken into custody without incident.

Not everybody has the ability of those two civil servants but those that do should be recognized. Captain Sipes, Bolivar Housing Authority and the Dixie Funeral Home staffs recognize you and thank you for your contribution to this community.

Mike Miller, Executive Director, Bolivar Housing Authority

Send Me a Postcard Sometime

Starting in January 2021, the Department of Revenue will send postcards to motor vehicle registrants to remind them of upcoming renewal dates.

The postcards will replace traditional letters and will reduce state mailing expenses by an estimated \$500,000.

"This is a more efficient, effective way to remind citizens about their upcoming registration renewals," Commissioner David Gerregano said. "It's also a good way for the state to save money without sacrificing any services."

The department partners with the state's 95 county clerks to administer vehicle title and registration in the state. You can find more information about renewals, as well as a sample postcard, on the department's website at [www.tn.gov/revenue/renewals](http://www.tn.gov/revenue/renewals).

Due to the ongoing COVID-19 pandemic, the department encourages motorists to renew their registration online at [www.tncountyclerk.com](http://www.tncountyclerk.com). If you do not have online access or your county does not have online renewals, you can mail in your renewal to your local clerk. The TN-CountyClerk website also allows registrants to sign up for e-mail and text message reminders about renewal dates.

The Department of Revenue is responsible for the administration of state tax laws and motor vehicle title and registration laws and the collection of taxes and fees associated with those laws. The department collects about 87 percent of total state revenue. During the 2020 fiscal year, it collected \$15.1 billion in state taxes and fees and more than \$3.2 billion in taxes and fees for local governments.

## Silerton

Melea Beshires

Hope that many of you got to see the great conjunction of Jupiter and Saturn on the 21<sup>st</sup> (dubbed the “Christmas Star”) when the planets were the closest they have been visibly in 800 years. They will remain very close together for several days.

Mary Lynn Lambert shares some travel news and birthday news with us this week. She also passed along a recipe from Judy Dillard. “Frankie Lambert and Alfred and Jonna Ewing traveled to Toledo, Ohio to enjoy early Christmas celebrations with children and grandchildren. They had a very good trip and enjoyed all the time they were able to spend together.

Lee and Frances Stack, Grady and Carolyn Stack and Mary Lynn Lambert helped Ann Hinson celebrate an early birthday on December 11. Ann’s birthday was December 20. The siblings enjoyed red velvet cake, which is Ann’s favorite cake, and spent a few hours visiting with each other.

Judy (Chandler) Dillard shares her famous banana pudding recipe this week. Judy brings this dessert to most of the potluck meals at the Silerton Baptist Church. Her dessert always gets rare reviews, and her dish is the first dish to be emptied. She mentioned that some people get their pudding first before the dish is emptied

Combine ¾ cup sugar, 1/3 cup of flour with 4 egg yolks. Slowly add 2 cups of milk and 1 can of condensed milk and boil over medium heat until the mixture thickens. 1 teaspoon of vanilla flavoring. Layer vanilla wafers, sliced bananas and a portion of custard Continue layering until custard is used. Whip egg whites until stiff with 1/3 sugar. Top on pudding and bake at 350 degrees until meringue is brown.”

Hello to all! Hoping everyone is doing well! The children did a wonderful job as they put on their Christmas program “Christmas in Egypt” this past Sunday. Thank you parents for allowing your children to come practice and be a part of this program. Project 4:13 had their Christmas parties in their classrooms last week and will not meet on Wednesday nights until school is back in session after the first of the year. We still have a few Christmas ornaments from the 100th year celebration of the town of Hornsby. If you would like to purchase one please let Becky Stanton, Lily Barnes, or myself know and we will be happy to get it to you.

Would love to hear from people in the community of any news that they would like to share. Please reach out to me and I will be happy to place it in the paper. If you want me to wish someone a “Happy Birthday” just give me a call and I will be happy to do it. Remember to check the church app for any community news they might share. There are also some wonderful devotions to read each day, some are taken from other devotion books but a lot of the devotions are written by a member of the church.

Prayer is a powerful thing and I know there are a lot of wonderful folks who are happy to pray for you or someone you know. If you have a prayer request please let us know. Please continue to lift the following people up in your prayers: Lynn Allen, Mimi Anderson, Hugholene Barnes, Ricky Bass, Sue Day, Norma Emerson, Rich Emerson, Nancy Foote, Robert Gibson, Beckett Gray, Thomas Green, Sue Hall, James Hanna, Marilyn Hanna, Richard Hazelwood, Justin Hodge, Sue Hodge, Willis Hornsby, Jo Edna Howell, Charley Johnson, Aubrey King, Lucy King, Wanda King, Debbie Laster, Bobbie McBride, Betty McMahan, Orville McMahan, Ruth Parchman, Gay Pierce, Gail Pope, Melanie Ross, Stacy Spence, Ronna Spoon, Martyn Venuti, Tommy Warner, Eddie Webb, Joe West, Jennifer Wheeler, Piper Williams, the men and women who serve our country, the families of the ones who are fighting cancer, all the health care workers, those with Covid, the leaders of our country, the family of Evan Nield, and especially the ones who are lost. His Word for the week, Luke 2:10-11 “And the angel said unto them, Fear not, for behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord.” Praise God!!! I wish everyone a very Merry Christmas and many blessings for the 2021 year!

Merry Christmas from the festive Town of Toone! The kids and teachers are now on Christmas break and families are busy with last-minute shopping and holiday preparations, and there is lots of baking going on around town. I see so many houses decorated and lighted up, especially up by the city park on Keller St. and down the hill from the school on Neely Street. Drive by and check them out!

We are happy to welcome back one of our former long-term Toone residents, Barbara Hooper Gammel, and her husband Tommy Gammel. After retiring last year, Barbara wanted to move back to Toone to be near her children and grandchildren. Welcome to Toone, Barbara and Tommy!

Join me in wishing a very Happy Birthday to our good friend and Toone neighbor, Clovis Jimmerson, Jr., who celebrates his big day, January 2. I trust Clovis will bring in the New Year with a bang-up birthday party!

I would like take this time to wish all of you a very Merry Christmas, and to thank those of you who shared news with me and contributed to this weekly column. All of you out there are the reason I do this each week, and I hope to hear from more of you in the New Year.

Christmas is a time of love and celebration of family and friends and a time of giving to those less fortunate. Whether you give through your church, civic organization or through your favorite charity, please try to make this holiday season a happier one for someone in need. Until next time. . . talk to your neighbors, and MERRY CHRISTMAS!!

Condolences to the Don Pickens family in Jackson, TN. He was a very dedicated member of South Jackson Civitan.

Let us all be in prayer for our president, governors, mayors, health care professionals, police and firefighters and any others that may be involved in this dilemma. Keep the prayers going for those that are fighting this COVID-19.

There will not be wrestling at 108 Henderson St., during the month of January 2021. Hopefully it will start back in February. Thanks to everyone that brought toys to give to needy children and to Mayor Evan Mott for seeing these are distributed as needed.

Let’s keep our children, teachers and all those that work at the schools in prayers.

Joan Henderson submitted funny for the week: A kind and patient Quaker, known for his reverent use of “thee” and “thou”, had a cow that he simply could not milk. After countless unsuccessful attempts to milk her ---and after many bruises from all his efforts \_\_\_his patience grew quite thin. Finally, he stood face to face with the cow and said, “old cow, thou knowest that I am a patient man, and thou knowest that I will not hurt thee, but if thou kickest me once more, I will sell thee to a neighbor and he will kill thee.”

Please continue to deposit your Best Choice Labels in the container at Food Giant service desk. This helps with the Middleton Woman’s Club fundraising for community projects especially since we have had to cancel two bake sales due to COVID-19.

Thanks to those calling and giving me people that are sick and/or news. Call 731-376-8202 or email at bonnieshealthyliving@comcast.net with any news.

## Core Civic Host Graduation *continued from A9*

Young started his education journey in 2018. Young faced setbacks following a HiSet test to earn his HSE diploma in 2019, but he decided it best to keep going – not giving up on his goal.

"I rededicated myself to education in the summer of 2020. I made a promise to everyone that I would complete the program," said Young. "Two HiSet tutors at Whiteville knew where I was struggling and worked diligently to help me correct my mistakes. When I tested in November, there was no question of whether I passed or not – I was confident I did well this time."

Young now looks ahead with hope to new opportunities available to him following release.

"Upon my release in 2021, I plan to work at my father's construction company. During my time working, I hope to get my business management degree so that I can one day take over the business myself," said Young. "None of my plans would be possible without a high school education."

Whiteville Principal James Bailey was also proud to see these students walk across the stage.

"In spite of the obstacles and roadblocks, these students have completed the requirements to receive an HSE diploma or vocational certificate," said Bailey. "COVID-19 didn't stop these students - they have taken the right steps to ensure they have the tools necessary for success upon release."

Over 700 HSE diplomas and 2,500 vocational certificates have been awarded to student-inmates in 2020.

## Happy Holidays ::::

What better way to celebrate the holidays than enduring weather in the low 20's, breaking ice and getting a couple of Mallards!

Emma showed her grit dealing with ice, very cold weather and was rewarded with this pair of green heads. Most hunters know "if" you're going to duck hunt, Mother Nature Always will test you! We play the cards we're dealt (weather being the dealer). Conditions can change overnight. I commend Emma for winning that hand. I feel the "Duck Hunters Blood" has thickened in her veins. As for me, I can only scream hoping her future will have her seeing and hearing "The Wings of Dawn."

# Daniel Leading the Lady Tigers

The Bolivar Central Lady Tigers have had few reasons to celebrate early in the 2020-2021 campaign, but Carley Daniel has made it her coming out party.

The past five games have seen the senior average 20 points and 8 rebounds, leading the team in both categories in each game while scoring 46% of the team's points.

"I wish we could figure out a way for her to pass to herself, for her to get the ball more," said Bolivar Central Head Coach Rick Rudesill after her 27 point 9 rebound performance against Millington on December 18. "She is really playing well."

Also, on December 18, Daniel was named Homecoming Queen by a vote of the Bolivar Central student body.

...

The Bolivar Central boys trailed by eight at 50-42, scored 17 straight points to lead 59-50, but found themselves down 66-65 with six seconds left against Millington.

"We had been working on this in practice," said Rudesill. "I told them to get the ball in and go."

Senior Jaquan Lax, who spent most of the night in foul trouble did just that, driving the length of the floor and laying that ball in a the buzzer to give the Tigers the 67-66 win over the District 15AA opponent. Lax had nine points, the only game of the season he has not scored in double figures. Trey Henderson led the Tigers with 17 points and 12 rebounds. The Bolivar boy's will play in the Westview Christmas Tournament, December 28-30. They will open against Union City at 11:30 a.m. on December 28.

...

Middleton split a pair of games on December 18, falling 63-18 in the girl's game but winning 64-49 in the boys contest against Adamsville. Middleton's next game is versus Hickory Flat on January 7. *Photo by Heather Carlton.*

## Kemp Donates to Tiger Basketball

Former Bolivar Central Basketball player Willie Kemp donated \$1,000 to the Bolivar Central Basketball program at halftime of the Tigers boys basketball against Millington.

"A lot of guys talk a good game about what they are going to do, but Willie comes through," said Bolivar Central Head Coach Rick Rudesill. "Willie does so many other things as well to help the community."

Kemp, who went on to play at the U of Memphis, was a part of two state championship teams, in 2004 and 2005, and was named Mr. Basketball for Tennessee in 2005.

## Hardeman County Sports Notes

Four players tied for the championship as the COVID-laden 10th Annual SEC Football Pick'em Contest came to a close.

Tied at the top are Thomas Stevens of Eastview, Bub Stevens of Eastview, Jim Nuckolls of Bolivar and David Sipes of Bolivar.

The winner among the four will be determined by guessing the total number of points scored in the three games in the College Football National Championship, including the two semifinals games and the championship game. The winner will be announced in the January 14 edition of the *Bulletin Times*, as long as the games are played by that date.

The winner will get a Lazyboy chair from Weems Furniture.
